Dear Kurt,

On behalf of the Elizabethan Gardens Board of Governors, staff and volunteers, I would like to thank you for the donation of \$500.00 for The Elizabethan Gardens kiosk. These funds will be used to match monies granted by the Dare County Visitors Bureau for this initiative. Your support enhances our efforts to join our partners in sharing information about The Outer Banks and its Roanoke Island attractions with a map and timely information regarding events.

We appreciate the role that your company plays as an active partner supporting our community and your help in making The Elizabethan Gardens a better experience for those who visit here.

Sincerely yours,

Horace Whitfield
Executive Director
